he was always destined to be a champion royally bred with english and american classic winners in his pedigree sir barton shone from birth dubbed the king of them all but after a winless two year old season and a near fatal illness uncertainty clouded the start of sir barton s three year old season then his surprise victory in america s signature race the kentucky derby started him on the road to history where he would go on to dominate the preakness and the belmont stakes completing america s first triple crown his wins inspired the ultimate chase for greatness in american horse racing and established an elite group that would grow to include legends like citation secretariat and american pharoah after a series

of dynamic wins in 1920 popular opinion tapped sir barton as the best challenger for the wonder horse man o war and demanded a match race to settle once and for all which horse was the greatest that duel would cement the reputation of one horse for all time and diminish the reputation of the other for the next century until now sir barton and the making of the triple crown is the first book to focus on sir barton his career and his historic impact on horse racing author jennifer s kelly uses extensive research and historical sources to examine this champion s life and achievements kelly charts how sir barton broke track records scored victories over other champions and sparked the yearly pursuit of triple crown glory this book reveals the legacy of sir barton and his seminal contributions to thoroughbred racing one hundred years after his pioneering achievement

under very different political regimes for a considerable period east and west germany produced some highly innovative competitive racing machinery german motorcycles were often in the vanguard of technical progress were good enough to win world titles in this respect the top names in the solo categories were nsu and kreidler while bmw fath munch könig did the business on three wheels like japan germany was faced with rebuilding a shattered country following world war ii like the japanese they overcame all the problems not only to create an economic miracle but also to construct world beating motorcycles germany s success contributed to the development of the sport in a wide variety of ways engineers machines riders circuits even record breakers
