richard howard has been writing stylish deeply informed commentary on modern culture and literature for more than four decades here is a selection of his finest essays including some never before published in book form on a

splendid range of subjects from american poets like emily dickinson and marianne moore to french artists such as rodin and michel delacroix also included are considerations of modern sculpture and of the photography of the human body howard s intense familiarity with modern poetry is seen to excellent effect in essays on the poetry of forgetting on the causes and effects of experimental poetry and on the first books of poets whose work he helped introduce among them j d mcclatchy frank bidart and cynthia macdonald of course howard brings to his consideration of french literature a rare wisdom drawn from his celebrated work as a translator of stendhal and gide barthes and cocteau yourcenar and gracq hilton kramer once wrote that richard howard performs the essential critical service he shows us the extent of the terrain he points out its essential features and he gives us a very vivid sense of its ethos as well as of its esthetics howard now in his seventy fifth year continues his adroit inventive commentary which enriches us all

this text discusses how w b yeats aleister crowley ezra pound and robert graves had access to the forbidden knowledge of the goddess these four poets experienced a confrontation with their unconscious and let the grace of the goddess touch their heart strings consequently through this surrendering they created avant garde poetry and were inspired to write seditious manifestos that would teach humanity an esoteric creed this creed based on humans eternal divine essence aspires to liberate the eternal feminine these poets became the instruments of the goddess as defenders of the light they took arms against the forces of inertia and proclaimed the eleusis of a new faith this creed pledges to overthrow the anachronistic religious and social institutions and initiate a new world order and a new divinity based on the ancient rites of the great goddess no matter how disparate these four were in character they shared the vision of transmitting esoteric knowledge to profane humanity they were specifically chosen by the goddess as her troubadours and they pave her way to the religious consciousness of the people

political action in vaclav havel s thought the responsibility of resistance by delia

popescu examines resistance to oppression and individual responsibility in political action all in the context of vaclav havel s political philosophy the famous anti communist dissident acclaimed playwright former president of the czech republic and eminent political thinker argues that there is a certain tendency in modern humanity towards the creation or at least toleration of a political system that is invasive and controlling not unlike tocqueville and arendt havel claims that modern liberal democracy contains potential tendencies toward a new form of despotism that capitalizes on modern alienation and social atomization political action in vaclav havel s thought suggests that havel s theory of individual opposition can be used to secure political freedom under the conditions of modernity popescu demonstrates that havel s idea of attaining true political participation and freedom requires a strong connection between an individually constructed ethics and the realm of politics on this basis she reveals that a thick notion of morality can be usefully integrated into an account of both private and public accountability vaclav havel s essays plays speeches and letters can therefore be integrated into a coherent political theory which contributes significantly to some of the central debates in modern political thought delia popescu concludes that havel s theory of individual opposition to totalitarianism may also serve as the foundation for a conception of responsible participation in modern liberal democracies
