based on a true story a man's encounter with an extraterrestrial being breaks down the illusions of life and the institutions that govern such illusions such as religion science and governmental sovereignty the information is eye and mind opening and filled with the realities that intelligent life on earth is simply one planet out of billions that exist in the milky way galaxy which is teeming with similar and much more exotic super being type life forms the earth is not flat it is not the center of the

universe and certainly is not unique in any way shape or form

my book is an informative and interesting collection of questions that are asked by more and more people concerning aliens extraterrestrials and all the entities that humans call gods in antiquity humans called any entity with superior knowledge or abilities a god in the present time humans also call aliens and extraterrestrials gods in my book i discuss and explain why there are aliens and why there are extraterrestrials i explain where they come from and why they are here i discuss topics that people have questions about but have no explanation as to why the events are happening i also briefly discuss two other topics in my book i discuss the fact that humans are extraterrestrials and i also explore the phenomena of animal mutilations i bet a lot of people don t realize that humans are extraterrestrials i believe that when you finish reading this book and you seriously ponder the material one word will come to mind wow

the master hunter is from a planet that no longer has plant and animal resources the entirely carnivorous inhabitants subsist by harvesting prey on other planets fortunately this galaxy has countless planets that they consider to be their hunting grounds planets with abundant animal life unlimited worlds for an unlimited food supply their off world master hunters are the sole providers of food a master hunter and his intelligent transport ufo have landed in southeast oregon intending to harvest prey animals from the multitude of beef and buffalo that are grazing within the grass filled valley in douglas reserve national park here the master hunter will encounter his most formidable human opponent the senior and most experienced ufo alien hunter in the u s an air force general who insists our planet has been visited for many years by intelligent beings from other planets intending to plunder our resources brigadier general john vincent and his military alien hunters will attempt to kill or capture this master hunter and his transport vessel using their plasma beam directed energy weapon to penetrate the ufo s defensive shield barrier this is his last chance to prove he is right and to regain his credibility the master hunter will also encounter the douglas county sheriff martina bailey a retired marine corps warrior expert in close combat skills a war hero and mother of two pre teen children martina s attachment to the marine corps is part of her family heritage a continuation of her family s multigenerational pride of service in the marine corps she is also a by the book sheriff and has raised her two children with a disciplined lifestyle she lost her equally formidable marine husband when his patrol was ambushed during a battlefield reconnoiter she has not found a worthwhile man since someone to share a loving relationship with sheriff bailey will develop conflicting intentions toward this master hunter after he rescues her children from human predators when she first meets the master hunter they both begin to realize they share many of the same personal attributes and subsequently they develop a cautious affection toward each other and discover an unlikely romance this story gives the reader a look at alien technology and how the master hunter can operate with impunity on our planet

rebuttal to frequent court and legal profession false arguments about the nonresident alien position

in this book a mysterious figure called the mystery m aster sets you the challenge of investigating all the myths and sightings surrounding aliens and encourages you to

analyse the information that you have gathered

a unique collection of scary stories orbiting around a variety of aliens from planets both known and unknown
